

To Whom It May Concern,

I am writing this testimonial to highly recommend Damien Se Chong Han for any future endeavours in the IT industry. Damien completed a 20-week internship with CPD Singapore Education Services Pte Ltd, under my supervision, from 10 April 2023 to 27 August 2023. He joined our team as an IT Application Development Trainee, and I must say that he exceeded all our expectations during his time with us.

Throughout his internship, Damien displayed a remarkable level of dedication and enthusiasm for his work. He actively contributed to various aspects of our IT operations, including IT Technical Support, IT Project Development, Digital Design & Content Development, IT Applications Testing/Optimization, and Web Development. His versatility and eagerness to take on new challenges were truly impressive, making him an invaluable asset to our team.

One of the most notable qualities Damien exhibited was his diligence and thirst for knowledge. He consistently sought ways to improve his skills and stay updated with the latest industry trends. Whether it was learning new programming languages or mastering cutting-edge tools, Damien approached each task with a genuine curiosity and a desire to excel. His relentless pursuit of excellence was evident in the quality of his work, which was consistently of a high standard.

Despite the demanding nature of the internship, Damien always maintained a positive attitude and a can-do spirit. He was a pleasure to work with, and his ability to work well both independently and as part of a team was commendable. Damien required minimal supervision and took initiative, efficiently handling his assigned tasks and responsibilities. He was meticulous and punctual, ensuring that deadlines were met without compromising on the quality of his work.

Another aspect that stood out about Damien was his resourcefulness. When faced with challenges or roadblocks, he demonstrated a proactive approach in finding innovative solutions. His ability to think critically and approach problems from different angles proved to be invaluable in overcoming obstacles and achieving project objectives.

Overall, I have no hesitation in recommending Damien Se Chong Han for any future opportunities in the IT field. He has proven himself to be a capable, reliable, and dedicated individual, and I am confident that he will continue to excel in his career. Damien's commitment to continuous learning, coupled with his strong work ethic and passion for technology, make him a valuable addition to any organization.

Should you require any further information or have specific inquiries about Damien's performance during his internship, please feel free to contact me at rita@cpdsingapore.com. I am more than willing to provide additional insights into Damien's work and character.

I wish Damien all the best in his future endeavours, and I am certain that he will bring nothing but success to any organization fortunate enough to have him as part of their team.

Sincerely,

Nurita Salem (Ms)
